MONARCH SYSTEMS LTD. NAMED THE OFFICIAL UNITED STATES DISTRIBUTOR FOR VINNIEROSSI AMPLIFIERS

Effective immediately, VinnieRossi products will be distributed throughout the United States by Monarch Systems Ltd.

6th April 2026: Greenwood Village, Colorado – Monarch Systems Ltd. is excited to announce our appointment as the official United States distribution partner of VinnieRossi, manufacturer of high-performance amplifiers.

This partnership marks an important step in strengthening VinnieRossi’s presence across the U.S. market. Monarch Systems Ltd. will oversee distribution, dealer relationships, and market development, ensuring that customers and partners receive the highest level of service and support.

“Monarch Systems brings a deep understanding of the high-end audio landscape and a strong commitment to representing brands with integrity,” said Vinnie Rossi, Founder and Principal Engineer of VinnieRossi®. “We are confident that this partnership will help us expand our reach while maintaining the level of care and attention that defines our products.”

Monarch Systems Ltd. will work closely with VinnieRossi to support authorized dealers and deliver a consistent brand experience across all touchpoints. The collaboration reflects a shared vision of connecting listeners more deeply with their music through thoughtfully designed audio systems of the highest quality.

Effective immediately, Monarch Systems Ltd. will assume the distribution of VinnieRossi amplifiers, management and creation of retail sales networks (distribution) in the United States, establishment of marketing channels, and the development of renewed media and review relations.

To discuss or inquire about review or retailer possibilities, please contact Monarch Systems Ltd at 720-399-0072 or info@monarch-systems.com.

Logos, photo images, and videos of the VinnieRossi products can be found [here](#).

About VinnieRossi®

VinnieRossi designs and manufactures high-end audio components for music lovers seeking a deeply engaging and meaningful listening experience. Each product reflects a thoughtful balance of innovative engineering and refined, minimalist design. With a strong focus on analog circuits, combining triode and solid-state topologies, along with advanced power supply architecture and optimized circuit layout, VinnieRossi components are built without compromise to deliver a presentation that feels natural, immersive, and enduring.

About Monarch Systems Ltd:

Monarch Systems Ltd. was founded by two long-time high-performance audio industry veterans, Jon Baker and Rich Maez, and is an importer of fine upscale sound components and retail environment consultation firm. Monarch's core operating principles are that a high-performance audio distributor should provide exceptional customer service, proper stocking and availability of products, superior product knowledge, be a proactive and trustworthy business partner, and, above all, be fun to work with.
